Lakeville Police Department Update Sunday, June 07 – Saturday, June 13, 2020

Weekly Review

- Lakeville CSO responded to a lost property call. A child's bike was found at Juno and 205th.
- Officers responded to a motorcycle accident at Highview Ave and Dodd Blvd. The female driver hit a deer that ran out into the road. Thankfully the driver sustained only minor injuries.
- Officers responded to an assault in progress call at 5XXX Country View Trail. It was actually two neighbors verbally fighting (out the window of their mobile home) over a string tied to two sticks that established a "property line." After the dispute was mediated, another adult party in the home came running out to let officers know that another adult in the house was "having a seizure and dying." Medics responded, the adult female in distress was transported to the hospital, and called back a few hours later to let us know that she did not die.
- Officers were given a tip that a male adult with active DOC warrants was at 17XXX Kenrick Ave after he cut off his home monitoring bracelet. The male subject fled on foot when the Sergeant asked to speak with him, but the male was eventually apprehended and jailed on the warrants and will be getting a citation in the mail for fleeing on foot.
- Officers responded to 17XXX North Creek Dr for an assault in progress call which also turned into a DANCO violation. Boyfriend and girlfriend were arguing verbally at first, then the male subject punched the female subject in the face, but he ran away before officers arrived. Officers found out that there was an active DANCO order in place, but the male subject promised his girlfriend that he would change, so she let him move back in a few months ago. A KOPS alert was sent out for GM Domestic Assault and DANCO violation.
- Officers were called to 72XX 165th St for an OFP violation. The male subject was gone by the time officers arrived on scene, so a KOPS alert was issued for the violation.
- Officers were called again to 5XXX Country View Trail for an assault in progress. The two neighbors were fighting, so this time both parties were cited for 5th Degree Assault.
- Officers responded to the area of 9XXX 207th St W for a young child who was not with any adults. After some searching, officers located the father. He was unaware his child had gotten away from the home.

- Officers responded to a harassment call at 17XXX Lake Cove Cir. The female victim was provided with options and resources from police.
- Officers took a fraud report at 17XXX Idlewood Cir. The male party reported a fraudulent unemployment claim being filed in his name.
- Officers responded to a mental health call at 8XXX 175th St W. After much time spent with the male subject, Officers, Crisis and his parents all agreed he should go in for an evaluation.
- Officers responded to an alarm at 16XXX Highview Ave when the video alarm showed 3 juvenile males on the roof of the building. Parents were notified and the kids were issued trespass notices.
- Officers responded to a domestic at 99XX 178th St W. The female party was extremely upset after finding out her husband was having an affair with her sister. An argument ensued, which caused the male party to call 911 to report he was being assaulted in the form of pushing and shoving. The Sergeant mediated the dispute and the male party agreed to leave for the night.
- Officers responded to 4 different calls with 4 different victims, all in the same day, reporting identity theft via State of MN unemployment benefits.
- The very next day, Officers again responded to 4 different calls with 4 different victims, reporting identity theft via State of MN unemployment benefits.
- Officers took a theft report at 18XXX Kenrick Ave when a group of juveniles left their mountain bikes unattended and unlocked in front of the store. When they returned, all of their bikes were gone.
