

**CITY OF LAKEVILLE
ON-SALE LIQUOR LICENSE
PATIO APPLICATION**

Licensee Name _____ Cell Phone _____

Business Name _____ Phone _____

Business Address _____

Licensee shall submit a site plan of the entire licensed premises (inside and outside) which addresses all requirements of City Code 3-1-6-4 and 3-1-8-14. (Attach additional pages if needed for the following):

1. What is the distance of the proposed patio from all property lines?

2. What is the current size and seating capacity of the licensed premises?

3. What is the proposed patio size and seating capacity? Include table, chair and aisle arrangements of the entire licensed area on site plan.

4. What is the current parking capacity and additional number of parking stalls required?

5. What is the additional number of City and Metropolitan Council S.A.C. units as determined by the Metropolitan Council Environmental Services (651-602-1378)?

6. What is the type and height of the fence and/or landscape barrier to be used around the patio?

7. What type of emergency exit gate hardware will be used and where will they be located on the patio?

8. What type of vehicle barrier will be used and where will they be located, if required?
